

Director of Operations - Jersey

Amalgamated Facilities Management Limited are recruiting a Director of Operations to lead the transformation of our facilities management business in the Channel Islands and unlock future growth.

This is an exciting opportunity for a dynamic professional with a successful track record of leading a large facilities management business and working with stakeholders at the highest level in both public and private sectors.

The successful candidate will have:

- at least five years' experience in a senior leadership/Board role in a facilities management business;
- successfully led a large team (100+) across diverse disciplines of facilities management operations (including hard and soft services);
- a proven track record of delivering transformational change and building sustainable growth in a facilities management or related business services industry;
- a detailed understanding of the regulatory and compliance regime for facilities management;
- an extensive network of contacts with UK Building Services Intermediaries.
