

Senior MEP Project Manager - Guernsey

Amalgamated Facilities Management Limited are recruiting an experienced Senior Project Manager of MEP services.

This is an exciting opportunity for a dynamic professional with a successful track record of delivering bespoke mechanical and electrical engineering solutions to clients, including existing and new facilities.

The successful candidate will have:

- a minimum of 10 years industry experience;
- a proven track record of managing and delivering Mechanical or Electrical installation projects of values ranging from £20,000 up to £1m+, on time and to budget;
- a recognised qualification in this field (Degree, City & Guilds or equivalent);
- strong communication and organisational skills with the ability to manage multiple tasks effectively and efficiently;
- effective people management and coaching skills;
- experience and knowledge of managing the administration of Health and Safety on assigned projects, and driving compliance with best practice.
