

# Electricians

AFM are currently looking to recruit **Electricians** to join our busy Projects team in Guernsey.

Covering a wide range of electrical systems, the key activity of the role includes;

- Lighting and Power installation works of new builds and refurbishment of both High Spec residential and Commercial/Industrial projects
- Electrical LV and specialist system Fault Finding and repairs
- Testing and inspection
- Supervision/Support to apprentice electricians and other team members from time to time.

These positions would suit qualified electricians and applicants must have the ability to interpret scale construction drawings, working proactively both unsupervised and as part of a larger team.

## Qualifications

Essential

- City & Guilds Electrical Qualification (or equivalent)

Desirable

- Electrical Testing and Inspection qualification (or equivalent)

## Additional info for this role:

- This is a full time position
- A driving licence (category B) is required
- Successful completion of pre-employment screening, to include a basic police disclosure
