

Water Hygiene Technician – Guernsey

We are currently recruiting a Water Hygiene Technician to join our existing team. The role would suit someone with a plumbing background, has good communication skills, ambitious and keen to improve their existing knowledge and capabilities with aspirations to further their career.

Key Responsibilities:

- Temperature monitoring and general HSG274 water hygiene tasks
- Collection of microbiological samples from domestic water systems, and submission for laboratory analysis
- TMV maintenance
- Shower head & hose cleaning
- Expansion vessel flushing
- Chlorine dioxide analysis
- CWST Tank inspection/cleaning
- Chlorination and disinfection works
- Accurate recording of collected data
- Outlet descaling
- Out of hours work/emergency call out attendance will be required
- A driving licence is essential.

The successful applicant will be required to undertake a full police disclosure. If you would like to find out more information about this role, please contact our Human Resources Team on 01481 252111 or forward your CV to: hr@amalgamatedfm.com.
