

Electrical Projects Manager - Jersey

Electrical Projects Manager

Amalgamated Facilities Management Ltd is currently recruiting an experienced **Electrical Projects Manager** to join our busy Jersey office.

Reporting to the Lead Projects Manager whilst supporting and assisting the Project Team, this role has a wide range of tasks involved in delivering bespoke mechanical and electrical engineering building services to clients both existing and new. The role will be office based but will require a great deal of site based work.

The successful candidate will manage and monitor engineers on site to ensure professional standards are maintained. A keen eye for detail, experience in managing a diverse team safely and effectively whilst ensuring best value for money - together with the ability to communicate effectively at all levels - are all essential. Candidates must have experience of preparing and working to Risk Assessments and Method Statements and be highly competent IT users. A full JD can be requested by emailing hr@amalgamatedfm.com

Additional info for this role:

- Electrical Qualification or similar required
- Previous experience working on all building types
- “Hands on” capacity as and when necessary
- Management Experience
- Ability to write reports, prepare and submit quotes
- This is a full time position.
- A driving licence is essential.
- Occasional call out works will be required.
- Due to the nature of the work the successful applicant will be required to undertake a full police disclosure.

If you would like to apply for this role please forward your CV and covering letter to the HR Department, Amalgamated Facilities Management Ltd, CTV House, La Pouquelaye, St Helier, Jersey, JE2 3TP or by email to: ***hr@amalgamatedfm.com***
